Kilimanjaro Brothers

Climb Kilimanjaro with Kilimanjaro Brothers – the Tanzanian guide services on Mount Kilimanjaro with 20 years experience, specialize in Kilimanjaro Full moon trek Lemosho route and Join group at reasonable cost as well in price flexibility. We have great summit success rate 98% over Kilimanjaro summit. We focus on safety that have made us the top choice for thousands of happy customers from all over the world

Let Kilimanjaro Brothers arrange your Kilimanjaro climb and safari as from see the lions chasing it prey in Serengeti and reaching Uhuru the highest point in Africa and show you all our country as to offer.

“Each fresh peak ascended teaches something.”

Why choose Us?

Kilimanjaro Brother's brand stands as a local Tanzanian company that provides an outstanding service, fair and ethical treatment of guides and porters, safe, great success and best experience possible.

● Outstanding Standard of Safety

Safety is our first priority for wilderness and high altitude traveling. Safety Measures Kilimanjaro Brother's delivers the highest quality safety measures on Kilimanjaro.

● Cultural experience

We offer extra cultural experience for you to stay, change a life style, and share your skills with the wonderful different types of cultures, the rich history and fascinating traditions. “Our cultural experience doesn't cost extra time, but just to give you unforgettable adventure on our beautiful country”

● Safari Jeep

We're using the model Toyota land cruiser safari car with hard top open roof and all our car drivers have government licensed and safari intimate knowledge of travel and wildlife

● Ethical employees

We are former Kilimanjaro porters we know how hard porters work to make your trips safe and enjoyable. With this in mind, we have made Kilimanjaro Brothers' into a demonstration company, which takes care of its crew and allows other companies to learn best practices from us.

-We make sure porters are not exploited.

-We pay them a fair wage on time .

-We make sure they are outfitted properly for the alpine climate
